See below for a step by step guide to internet ordering.

Step by Step Internet Ordering

If you already have a login and password just email info@baar.com or call with your name and login. After you have notified us we will assign your account wholesale status. You will now be able to login and place your order online. All retail and wholesale items will be available to purchase but only wholesaled items will have your discount price. For questions concerning wholesale items please refer to your wholesale information package.

If you do not have a login and password

1. Start by going to our online store at www.baar.com
2. At the top of the webpage click 'My Account'. You will need to click 'Create New Account'. When creating a new account fill in all required fields in the form and click save.
3. Now that you have created an account we will need to activate it before you can place an order. Just email info@baar.com or call with your name and login. After you have notified us we will assign your account wholesale status.
4. You will now be able to login and place your order online. All retail and wholesale items will be available to purchase but only wholesaled items will have your discount price. For questions concerning wholesale items please refer to your wholesale information package.
